Champagne Blasts 145; Wadkins In 3rd Place

The play-for-pay boys took over in the second round of the Florida Open golf championship at Miami Shores Friday, shoving the amateurs into the background after their opening day

Joe Lopez, Sr., Key West pro who was in a three-way tie for second place after the first round, broke away from the pack to lead by a stroke. He added a 37-36—73 to a 71 to match par of 144 for the 36 holes.

"I didn't start playing until the seventh hole," Lopez confided. "Until then, I didn't have the feel of it. The course played longer and harder that the first day."

Lopez was trapped three times. Sand trouble cost him a bogey five on the sixth, but he escaped with a par four after being trapped on the ninth.

At the 14th, he blasted so accurately from the sand that he holed out from 60 feet for a birdie three. Lopez played the last eleven holes one under par.

Denny Champagne, tournament-tested Dubsdread pro of Orlando, added a 70, two under par, to his 75 for a 145 the early second place. Denny came in with his 34-36 to displace Lloyd Wadkins, Miami Country Club pro, who flashed with 35-37—72 for a 146 at the halfway mark.

Bonny Graham, Sarasota pro, was a stroke behind with his 33-38—74 for a 147. Billy Leigh, Lakeland amateur, soared to a 76 after his 71 of Thursday and was tied with Graham.

Champagne lived up to his prediction that he would score better Thursday, although he declared that the course played three strokes harder than it did the first day.

Donny attributed that fact to the pins being placed in tricky spots, mainly behind traps. That required deadly accuracy in approaching and may have contributed to most of the amateurs falling off the pace.

Henry Russell, Riviera Country club amateur, who set the first round pace with his two-under 70, slumped to a 79 for an aggregate 149. He was grouped with Bill Stembler, MCC; Steve Warga, pro; Bob Kurz, Biltmore, and Jim McCoy, Orange Brook, five strokes off the pace.

Kurz, in shooting a 74, scored birdie fours on the two of the toughest holes—the 517-yard 10th and the 580-yard 16th. His first resulted when he chipped within eight feet. On the 16th he drove within 30 yards of the canal, and purposely played a two-iron short. He put his nine-iron approach within four feet of the cup.

Champagne, who attributed his sub-par round to "gaining confidence," almost holed out his five-iron second on the sixth. He missed by inches and had to be satisfied with a birdie three.

White Sox Skim Past Bosox, 3-2

CHICAGO — (AP) — Eddie Robinson's sixth inning single scored Ray Coleman with the winning run as the Chicago White Sox defeated the Boston Red Sox, 3-2, before 24,281 here Friday night.

Pitcher Lou Kretlow yielded just five hits in beating Ray Scarborough to register his fifth decision. The loss was Boston's third in the past 10 road games and Scarborough's seventh setback against 10 victories.

The White Sox snapped a three-game losing streak by scoring single runs in the first and second innings before the winning romp. Boston counted both of its runs in the fifth.

The first Chicago counter was powered by Orestes Minoso's single and his steal of second, the league leader's No. 25 theft of the season, and Robinson's double.

Bud Sheely's single with one out in the second became a run on Chico Carrasquel's infield tap and Kretlow's solid smash to right.

Johnny Pesky's single and a wild pitch by Kretlow produced both Boston runs in the fifth before Robinson used his second hit of the game to lift his runs batted in total to 67.
