Sprinkler Head Measurement - The rating team will often schedule this service on a separate day. We'll measure each sprinkler head to the front, middle and back of each green. Requirements:

- The course MUST flag (typically irrigation flags) ALL sprinkler heads they'd like measured.
 - Once measured, the team will collect the flags
 - An ample supply of golf carts (2-4)
-

Please check and sign below that you agree with terms and conditions before your measurement will be scheduled.
