Tee played most commonly by Men: _____

Tee played most commonly by Women: _____

Tees club wants rated for Men: _____

Tees club wants rated for Women: _____

The USGA Course Rating process requires an accurate measurement before we rate the golf course. We will not accept measurements from third parties. We also will rate for both men and women. To accomplish this we have two teams (men & women) for each section within the state. Most clubs will schedule dates with two Captains to get the measurements and ratings completed.

There is **NO charge** for USGA Course Ratings as long as the club is a full member of the FSGA. Full members are clubs that use the GHIN system for the computation of their USGA Handicap Indexes.

Terms & Conditions for Service

Club Responsibilities for the Measurements and Course Rating Days

Measurement Day

- ****Very Important**** - Set tees to their usual position or have a club representative available to accompany the measurement team to confirm the placement of tees. When clubs follow this step properly, we avoid possible delays in the processing of ratings
- Carts – a minimum of 3 carts are needed
- Marking supplies – To mark position of the permanent marker for each tee (cans of paint, irrigation flags or a cup cutter)
- Lunch – Each measurement team member shall receive lunch courtesy of the club
- Golf – The team shall have the opportunity to play a round of golf at your course

Course Rating Day

- Carts – Minimum number of carts would be half the number of rating team members
- Tee Times – It would be ideal if 2 or 3 tee times were blocked after the rating team's starting time, so the team can conduct rating without impeding your member's play
- Lunch – Each member of the course rating team shall receive lunch courtesy of the club
- Golf – The USGA/FSGA requires that the golf course is played by the team to confirm the ratings. It's recommended that this take place on or around the day of the rating.
- Combo Tees – Inform the rating team of any combo tees the club wishes to be rated

Please check and sign below that you agree with the Terms & Conditions before your rating will be scheduled

____ I have read and agree to the Terms & Conditions as stated above for a course rating

Below please indicate a date range you would prefer to have your course rated:

Authorized Signature _____ Date _____
