# Membership Policies

The FSGA is a member-based organization and the majority of our revenue comes from FSGA full member clubs on the GHIN Handicap System. An added benefit of being on the GHIN System is reduced individual membership and entry fees. If your club does not use the GHIN System, you are still able to join the FSGA and compete in tournaments just at a little higher price. We hope to create awareness of this issue and increase GHIN presence in Florida's clubs.

**FSGA Competitors** - Competitors in all FSGA competitions other than the Amateur, Boys Junior, Junior Team, Junior Match Play, One-Day Events, and Club Team must join at the Regular Membership Level or higher to be eligible for tournaments.

**Foundation Membership** - Support golf through scholarships and junior golf when joining at a Foundation Membership level. Members receive a Foundation golf shirt and receive the lowest tournament entry fees offered regardless of their club's membership status.

Please contact the FSGA office at (813) 632-3742 with any questions or to inquire about the GHIN Handicap System.
