FSGA COMMITTEE MEMBER INFORMATION FORM

The FSGA Committee Member is a volunteer position. Individuals may volunteer to assist with the FSGA Course Rating Program or with the FSGA Tournament Program. Please indicate your interest:

Course Rating Volunteer Tournament Volunteer

A Course Rating Committee Member should have an extensive playing background on various types of golf courses. It is desirable that one or more course rating team members have obtained the playing skill of a single digit handicapper sometime during his golfing career. The state of Florida is divided into 18 sections, with course rating teams being responsible for the ratings in a particular region. Various seminars are held each year to provide training and promote consistency within the state.

A Tournament Committee Member should work a minimum of four tournament days during the season. Duties may include course set-up, starting, on course official and scoring official. At times FSGA Committee Members are put in charge of sectional qualifying events and championships while acting as the Tournament Chairman.

After submitting this form and joining the FSGA as a member, you are asked to spend the day in your interested area. We will help you coordinate that with an FSGA staff member or volunteer. When spending the day at an event and/or course rating, please wear a solid white shirt and khaki pants. Women may wear khaki shorts. After these initial steps are taken, we will contact you further and provide you all the necessary information for FSGA volunteers.

Please complete the following so we can learn how to best utilize each volunteer. Mail back to the FSGA office and we will be in touch. Thank you!
